

PEARL
INTERNATIONAL

PROFILE

In the ever changing technology world, the need of most advanced technological solutions in the lesser developed areas of the world with optimal costs is catered to by bridging the distance with innovative ideas.

We are the renowned manufacturer and supplier of a wide range of **Porta Cabins, Container Offices, Prefabricated offices, Pre Engineered buildings, Site Managers Offices** and **Multistorey Containers buildings**. These offices are fabricated using quality approved raw material in adherence with the international standards. The offered offices are available in various sizes, designs and patterns in order to meet the varied requirement of clients. Owing to their features like weather resistance, compact design, durable finish standards, aesthetic look and easy installation, these site offices are highly demanded across the country.

The Management of “**Pearl International**” is keen to put in every effort and investment to make available the world most wanted solution all over Pakistan at a reasonable price but with quality support services.
